

MARA

Medication Assisted Recovery Anonymous
New Meeting of Recovery

Every Monday

Starting Monday May 6, 2019

4:00 – 5:00 PM

**WNY Independent Living, Inc.
3108 Main street, Buffalo, NY**

(Behind Jim's Steak Out, near LaSalle Street Train Station and Aldi)

Many who suffer with Substance Use Disorder (SUD) have an honest desire to recover but have not felt welcomed at traditional 12 step recovery meetings or other self-help meetings because they have chosen MAT as part of their personal pathway to recovery.

If you are currently utilizing Medication Assisted Treatment (MAT) to aid in your recovery then **MARA** is for you.

Whether you are or are not on MAT, all are welcome at this meeting. Persons on **any** prescribed medication, such as Methadone, Naltrexone (Vivitrol), Suboxone, Buprenorphine (Buprenex), various Psychotropic medications and any others that are approved by the medical community.

Which MAT you are currently on is not what's important to us, **RECOVERY** is.

MAT saves lives. Recovery is Possible, we can and do recover.

You are welcome here!
